

FIRE EVACUATION GUIDE FOR KIDS

HOW TO STAY SAFE AND ACT SMART IN CASE OF FIRE

WHAT IS A FIRE EMERGENCY?

A fire emergency happens when there is an uncontrolled fire that puts people in danger.

🔥 Causes of Fire:

- Electrical short circuits
- Unattended cooking
- Flammable liquids
- Faulty appliances

🌪️ Fire can spread fast – it's important to know how to react.

WHY IS FIRE SAFETY IMPORTANT?

- Protect yourself and others
 - ✓ Prevent injuries and damage
 - ✓ Stay calm during emergencies
 - ✓ Escape safely
- Early action can save lives.

FIRE EVACUATION CHECKLIST – STEPS TO FOLLOW

- Stay Calm
- Alert an Adult
- Call Emergency Services
- Stop, Drop, and Roll (If your clothes catch fire)
- Know the Exit Routes
- Evacuate Quickly but Safely
- Assemble at the Safe Meeting Point
- Do Not Re-Enter the Building

STEP 1: STAY CALM

- 
- Take deep breaths
 - 🧠 Think clearly
 - 🚫 Don't panic or scream
 - ✓ Staying calm helps you make safe decisions.

STEP 2: ALERT AN ADULT

Inform parents, teachers, or nearby adults immediately.

► Shout “Fire!” loudly to alert others.

Adults will help you take the right step

STEP 3: CALL EMERGENCY SERVICES

Important Emergency Number:

- Fire Brigade – 101 (India)
-  Memorize this number or have it written on a card.
-  Clearly tell the operator:
- Your name
- Location of the fire
- What is burning (if you know)

STEP 4: STOP, DROP, AND ROLL

If your clothes catch fire:
STOP where you are.
DROP to the ground.
ROLL over and over to extinguish
flames.
🚫 Don't run – running makes fire spread.

A firefighter in a red uniform and helmet is spraying a stream of water from a hose onto a large fire. The fire is bright orange and yellow. In the background, there are green trees and a city skyline with several buildings. The sky is light blue with white clouds.

STEP 5: KNOW THE EXIT ROUTES

Learn and remember at least two exits from every room.

- compass icon Plan your escape path in advance.
- stairs icon Always use stairs – NEVER use elevators during fire.
- star icon Check for safe exits that are not blocked by fire or smoke.
